

Consultation Overview: The products that can be taken into account by NEMOs in single day-ahead coupling (provided under Art. 40 of CACM) were approved by All Regulatory Authorities and agreed at the Energy Regulators' Forum on 23 January 2018. According to Art. 40.3, "by two years after the entry into force of CACM and in every second subsequent year", all NEMOs shall consult, in accordance with Article 12, the products that can be taken into account in the SDAC. This consultation proposes a number of amendments to the current list of SDAC products. This is a joint consultation from all NEMOs

Why We Are Consulting: Any amendment of CACM Terms, Conditions or Methodologies needs to be submitted for public consultation for at least one month (pursuant to art 12 of CACM) in order to take into account stakeholders' views on this reviewed proposal.
