

PROPOSAL OF OPERATING RULES OF THE DAY-AHEAD AND INTRADAY MARKETS FOR THE PRODUCTION OF ELECTRIC ENERGY TO ADAPT TO THE HARMONIZED PRICE LIMITS

Madrid, 04/02/2021

In accordance with the requirements of the MIBEL regulatory authorities (CNMC and ERSE) and in accordance with the provisions of "Circular 3/2019 of November 20, which establishes the methodologies that regulate the operation of the wholesale electricity market and the management of the operation of the system ", the MIBEL Market Operator (OMIE) has prepared a proposal for "Rules of operation of the daily and intraday electricity production markets" for the implementation of the new maximum and minimum limits of bids to the markets.

This proposal includes the analysis of the comments of the interested parties sent to the public consultation entitled "PUBLIC CONSULTATION FOR THE ADAPTATION OF THE OPERATING RULES TO THE HARMONIZED PRICE LIMITS IN THE DAILY AND INTRADAY MARKETS", carried out by OMIE with a start date on December 15, 2020.
